Re: Bulletin No. 1  
Region 14 Competition, March 27-30, 2008

Date: December 3, 2007

The Regional Competition Steering Committee along with our assisting chorus and current Regional Champions, Greater Richmond, are preparing for yet another **LEAPING SUCCESS** at Regional Competition, March 27-30, 2008, in Winston-Salem, North Carolina.

Most of the information you will need to plan your competition weekend is enclosed. Please read it carefully and make special note of all deadlines. Additional information will be distributed in upcoming Regional mailings and will be available on the Region's website along with the various forms needed.

**Please share all of this information with your competing quartets.**

There is no designated mailing from the region for quartets, so we appreciate your help. If you have questions, please don't hesitate to call me for assistance. Begin making plans now! See you there!
