- Support the contestants with cheers while evaluation is not ongoing. Evaluation of quartets starts as soon as the quartet enters the stage and continues until they exit the stage. Evaluation of choruses starts when the stage lights are turned on and continues until the stage lights are turned off. The judges may continue writing for some time after the evaluation has been finalized.
- Talk and move around in the performance hall between performances.
- **Have fun and enjoy what you see and hear.**

But You May Not . . .

- Make any recordings or take photographs. The use of all photography, audio, video or movie recording equipment is prohibited.
- Enter and exit the performance hall during a performance.
- Sing between the performances.
- Have your mobile devices turned on – mobile phones may interfere with the sound recording even if they are put in silent or flight mode.

Also Remember . . .

- Sit close to an exit if you are bringing children with you. If the child starts to cry, exit as quickly as possible.
- Please honor the VIP seating area, as well as other designed areas.
- **Violators of these rules will be escorted from the competition area.**

Open Division & Audience Choice Award

In 2014, Sweet Adelines International introduced Open Division, which is a competition alternative to International Division or Evaluation Only, and available to both choruses and quartets. Open Division contestants present an entertainment package, which may be up to 10 minutes long. The package must contain one competition song/medley, at least one more song (although often there are more), and a script or emcee comments that integrate the music and the story. The Open Division contestant's package typically includes fun, clever and often innovative costumes for the members, thereby contributing to the overall effectiveness of the package. Open Division contest performances are adjudicated in the areas of Musicality, Unity, Theme/Emcee/Microphone Technique, Creativity and Communication.

Skyline Harmony Chorus will annually present the "Skyline Harmony Chorus Open Division Chorus Award" and the "Skyline Harmony Chorus Open Division Quartet Award." These awards to Open Division contestants (choruses and quartets) will serve to recognize and honor the time, effort, skill, and creativity required to design and perform an Open Division entertainment package. If the chorus competition, or quartet competition, includes two or more Open Division contestants, the award will be presented to the Audience Choice Award winner. The Audience Choice Award is strictly based on the entertainment value of the packages. 50 randomly selected members of the audience vote for their favorite performance among the Open Division competitors.

That's What Friends Are For

Doo doo, Doo doo, Doo doo, Doo doo
And I never thought I'd feel this way
And as far as I'm concerned
I'm glad I got the chance to say
that I do believe I love you,
And if I should ever go away
Well then close your eyes
and try to feel the way we do today –
And then if you can remember Keep smiling,
keep shining, knowing you can always count
on me – for sure
That's What Friends Are For
For good times and bad times
I'll be on your side forever more
That's What Friends Are For
And if I should ever go away
Well then close your eyes and try to feel the
way we do today
And then if you can remember
Keep smiling, keep shining, knowing you can
always count on me – for sure
That's What Friends Are For
For good times and bad times
I'll be on your side forever more
That's What Friends Are For
I'll be on your side forever more
That's What Friends Are For

It's The Music That Brings Us Together

It's the music that brings us together
It's the music that brings joy untold
Those sweet melodies those grand harmonies
Light the fire that burns in my soul
When storms roll around,
when life brings us down
when trouble an' strife come our way
It's the music that brings us together
But it's the friendships that make us stay
Sharing music with friends fills our heart
with song each day.

Let's Start Tomorrow Tonight

Oh, what a rush is it real? What a ride!
Come take the journey of love by my side
Round an' round goes the wheel of love
Some say like Russian roulette
Now there's a jackpot I'm dreamin' of
I'm ready to place my bet
There's no need to beg steal or borrow
The future is looking bright
Yes, I'm laying odds on tomorrow
So let's start, start tomorrow tonight
Let's start tonight.

We Are Family

We are family, fa-fa-family I've got all my sisters with me.
Yeah everybody. We are family, fa-fa-family
Get up everybody and sing. Sing it to me Sing Sing Sing
Everyone can see we're together as we walk down by
An' we fly just like birds of a feather, I don't tell no lies
All of the people around us they say can they be that close
Now let me say for the record We're givin' love in a family dose
Oh yes an' We are family fa-fa-family
I got all my sisters with me Yeah everybody
We are family fa-fa-family get up everybody and sing
Sing it to me Sing Sing Sing
Near the light is fun an' we've just begun to get our share
Of this world's delight
High hopes we have for the future and our goals in sight.
No we don't get depressed.
Here's what we call our golden rule.
Have faith in you an' the things you do you won't wrong
Oh no this is our family jewel
Oh yes an' we are family, fa-fa-family I got all sisters with me
Yeah everybody,
We are family, fa-fa-family
Get up everybody an' sing, sing it to me
We are family. Ba ba ba da ba da bow.

How We Sang Today

Tomorrow's another day
I hope and pray we'll be together
Tomorrow this today will be a yesterday
That's gone forever,
So take my hand, my friend, I want to say,
I'm glad we laughed and loved and sang
Together today So take my hand,
I want to say,
I'm glad we laughed, I'm glad we loved,
I'm glad we sang! Today!

Meet Our Judges

Sound: Valerie Taylor (Panel Chair) Valerie lives in South London, England, and directs Vocal Dimension Chorus in Region 31. Her chorus has competed three times in Harmony Classic, most recently in Louisville where we came second in the Division A contest by 1 point! She sings bass with Nova quartet and they are competing this year in their regional contest for the fourth time. She is also a member of the International Board of Directors and sits on the Education Direction Committee. In her other life she is a (part-time) privacy lawyer, has a black belt in karate (retired), and she says her wonderful husband, David, supports her endlessly. She also says if you meet him this weekend, please don't ask him to sing...

Music: Carolyn Schmidt Carolyn is an Approved Judge in the Music Category of the Sweet Adelines International Judging Program. She has been an enthusiastic member of Sweet Adelines International since 1974 and holds the distinction of Master Music Arranger, the highest honor bestowed upon Sweet Adelines International arrangers. Carolyn has served as musical director of Hickory Tree Chorus in New Jersey for 30 years, and in preparing and directing the chorus in competition, she has earned the designation of Sweet Adelines Master Director. She has been active as a quartet singer at both the regional and international levels and serves as quartet coach for quartets in her region. Carolyn is passionate about helping others understand how to make music come alive in the barbershop style.

Expression: Lea Beverly Lea is a native Texan but calls Bellevue, Washington state (USA) home. Formerly self-employed as a corporate tax consultant she is now blissfully retired from the financial world. Classically trained as a pianist beginning at age 5 and through college, she began accompanying school choirs in the 4th grade and later added performances at musicals, church and charitable events. While living in Alaska, she was invited to an SAI guest night 30+ years ago and immediately got hooked on singing a cappella. She considers herself a baritone but has competed as a chorus lead & bass as well. Lea joined the Sweet Adelines Intl. Judging Program in 2000 and finds judging quite fulfilling. Coaching brings her a lot of joy — she loves being part of groups learning & honing their skills (& getting a barbershop 'high'). When not 'doing music', Lea loves traveling, watching sports (especially football) and creating crafty projects.

Visual Communication: Barbara Nielsen Barbara is a native Marylander, having been born in Baltimore City, but living most of her life in Baltimore County. She has been a Sweet Adeline since 1975 and has been privileged to compete with her chorus on the International stage numerous times. Her most recent experience was with Harbor City Music Company in Louisville, Kentucky, winning a third-place medal! Prior to her retirement in 2008, she had a 43-year career with McCormick & Company, Inc (spices, extracts, specialty foods)—most of it in Human Relations. She is an avid gardener and a rabid fan of the Baltimore Orioles and the Baltimore Ravens.

Panel Secretary: Diane Brilz Diane Brilz has had the opportunity to live in many different places due to her expat life with BP. Sweet Adelines was a common thread throughout her relocations that provided support, friendships and rewarding experiences. She joined Sweet Adeline's in 1997 with the Aberdeen, Scotland City of Roses Chorus. Later she sang with the Chinook Winds Chorus in Calgary, Canada. After relocation to Dallas, she joined the Rich-Tones and had the joy of winning 2 International gold medals in Las Vegas and Nashville Diane says she loves her position as Panel Secretary because it provides the opportunity to get to know Sweet Adeline's from many regions across this wonderful organization. In addition, she says it is an honor to serve alongside the most professional and dedicated group of women, our judges.
